SUPPLIES. AND SO MUCH MORE.

## WHO WE ARE

Founded in 1999, Facility Sourcing Direct supplies safe, easy-to-use janitorial products, anti-fatigue and entrance mats. From sustainable cleaning products to traditional janitorial supplies, we take the stress out of finding the best, most affordable solutions for your building. We prioritize products that make everyday task easier and keep employees and guests safe.

## WHY WE ARE DIFFERENT

- **Reduced costs** by 52% at a large community college by converting to Ecologo and Green Certified cleaning products.
- Optional **employee product training** program using gamification and remote mobile learning.
- Reliable and **quick shipping** through SpeedDee Delivery.
- **Decreased shipping weight** by 50% through utilizing hyper-concentrate which lowered storage volume by 58%.
- Implemented an organics recycling program for an international beauty supply manufacturer.
- Reduced slip & fall liability with permanent entrance mats.
- Lowered ergonomic injury and potential workers compensation claims with anti-fatigue mats.

## WHAT WE DO

- Sustainable green cleaning products - NSF, Green Seal & Ecologo certified - State of Minnesota C252(5)
- Entrance Mats
- Anti-fatigue Mats
- Janitorial Products (Towel, Soap, Bath Tissue, Compostable Bags, Can Liners, Trash & Recycling Receptacles)
